Room 3B665, The Pentagon
Washington 25, D. C.

Dear General Decker:

Certain personnel of your Department assigned to Fort Eustis, Virginia, whose names are listed on the attachment, were brought to my attention as having given excellent support during a recent operation of a classified project. They are credited with outstanding performance in connection with their personal involvement in the search of certain vessels and recovery of equipment resulting in gaining possession of a valuable amount of material belonging to the United States Government, some of which had been secreted by indigenous personnel.

You may wish to have this excellent performance reflected in their records without indicating association with this Agency.

Thank you again for your cooperation.

Sincerely,

SIGNED
